

RENAULT TRAFIC PASSENGER

15th December 2022

stylish and powerful

The Renault Trafic Passenger boasts a confident and dynamic look with a greater presence on the road, complemented by a more car-like design. Trafic Passenger has seating for up to 9 and generous luggage space to cater for the needs of large families as well as passenger transport professionals. With a range of 2.0 litre Blue dCi engines all offering fuel-saving Stop & Start technology, the Trafic Passenger complies with the most stringent of Euro 6D-full emissions regulations. Automatic gearboxes are available on both trim levels.

wireless smartphone charger*

Apple CarPlay and Android Auto smartphone integration

comfort and connectivity

The airy passenger area, large sliding windows at the rear and numerous storage options (up to 84.2 litres) all contribute to passenger and driver comfort. Stay connected on the go: 8" Easy Link touchscreen with or without built-in navigation**, wireless smartphone charger* & Apple CarPlay and Android Auto smartphone integration.

*Wireless charging currently not available for order. **Standard on Extra.

up to 9 seats without compromising on boot size

multiple possibilities

The versatility of Traffic Passenger will allow you to find the arrangement that is perfect for your travelling needs, with the possibility to have either 5,6,8 or 9 seats. There is no compromise with regard to storage either, as Traffic Passenger can provide up to 5.7m³ of boot space, enabling you to get the most out of your journey.

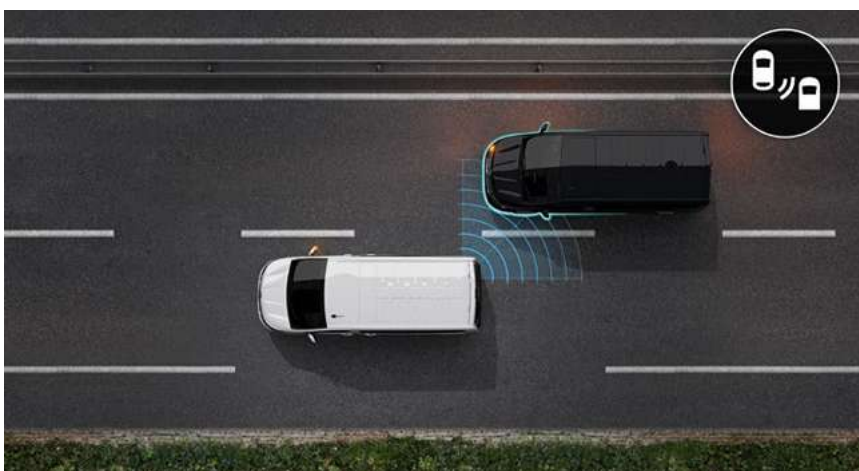

smooth and seamless

Trafic Passenger presents an updated front grille, 17" wheels* and Renault's iconic C-shaped LED headlights. In the completely redesigned passenger area, a horizontal band highlights the smoothness of the dashboard.

*Standard on Extra.

driving made simple

Drive with complete peace of mind, Traffic Passenger will make your journeys safer. A range of advanced driver assistance systems⁽¹⁾ and safety devices allow you to travel with complete peace of mind and share a more enjoyable ride with your passengers.

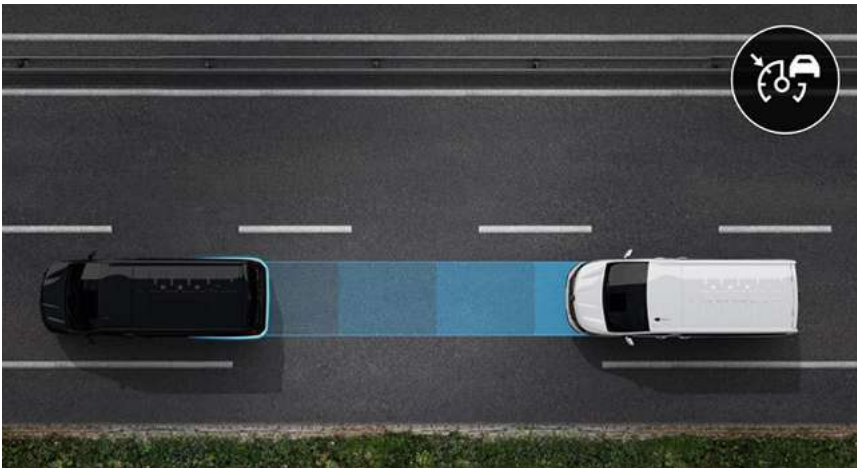

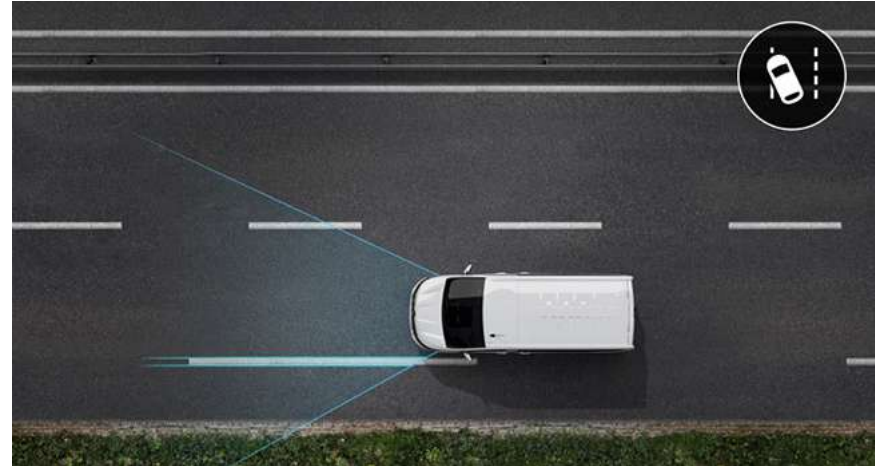

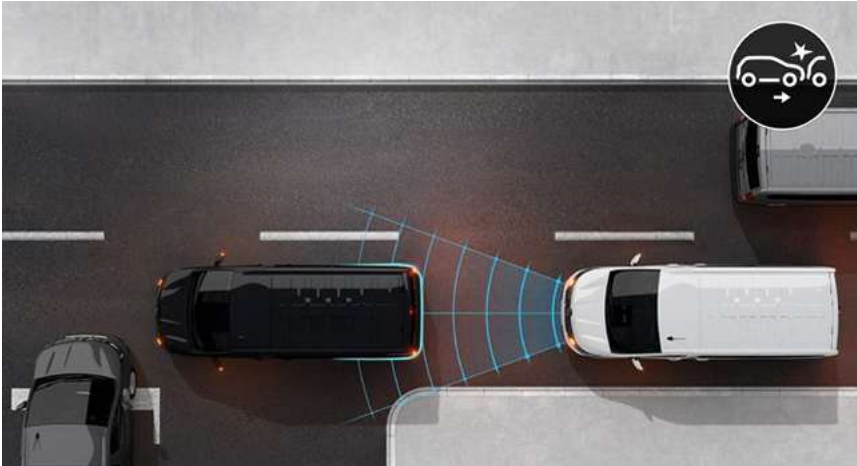

The 360° parking sensors

Front, rear and side sensors warn you of objects using an audible and visual signal. You no longer need to worry about damaging your bodywork (Optional).

Blind Spot Warning

This system warns the driver of vehicles in their blind spot and helps avoid collisions when manoeuvring. The driver is alerted by an LED light being activated in the corresponding door mirror (Optional).

(1) It is your responsibility to stay alert, drive safely and be in control of the vehicle at all times. Driver assist features have speed and other limitations and should not be relied on. For more information, please refer to the owner's manual or contact your local dealer.

an ever safer road

Active Emergency Braking System

This system is able to detect both moving and stationary vehicles. The driver is warned via a visual and audible alert, if the driver doesn't brake or doesn't brake hard enough the system supports with braking (Optional).

Adaptive Cruise Control

This allows you to maintain a safe distance from the vehicle in front. The system applies the brakes when this distance is too short and then accelerates once the road is clear again (Optional).

Lane Departure Warning

This system alerts the driver if they cross the central reservation line involuntarily (Optional).

accessories

1. Side steps: Make it easier to get in and out of the vehicle, and to access any roof loads. Essential style-statement accessory.

2. Customisation stickers on bonnet: Customise your vehicle to make your vehicle unique to you and stand out from the crowd.

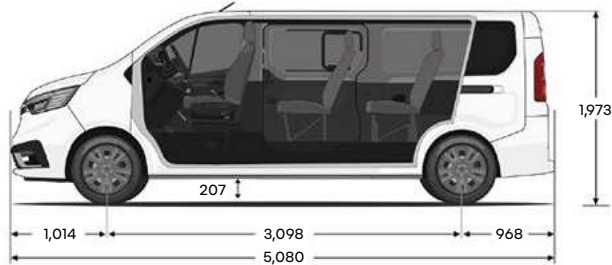

3. Boot liner and boot sill: Cover and protect your vehicle's rear bumper with a practical, tailor-made aesthetic accessory. It provides a design touch at the rear of your vehicle.

4. Coach bicycle rack (3 bikes) & towbar pack: Allows for easy and safe transportation of bicycles for the whole family.

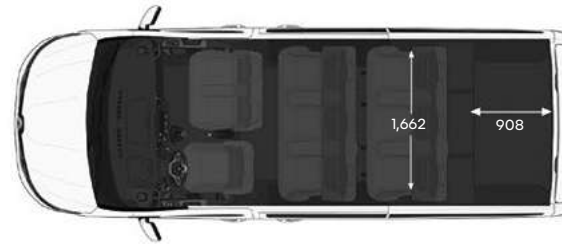

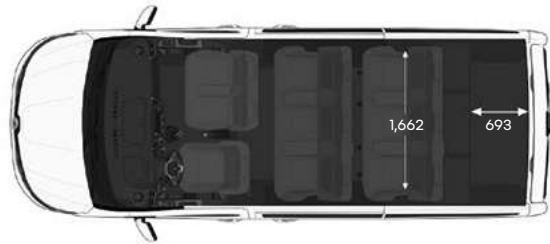

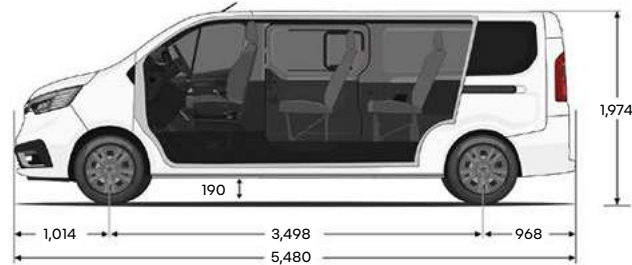

Some accessories require the vehicle to be registered before fitment. Your selected dealer will be able to offer further advice on this and provide you with a quote for fitment for vehicles already in dealer stock. Please refer to accessory brochure for full list of accessories. Accessories are fitted post production and may have an impact on WLTP fuel (actual) consumption and CO₂ figures.

(1) An engine consumes oil for lubrication and to cool its moving parts. It is normal to top the oil up once or several times between two changes. (2) Fuel consumption and CO₂ emissions are certified using a standard, regulated method. It is identical for all manufacturers and allows vehicles to be compared. (3) Actual fuel and AdBlue® consumption depends on vehicle use, equipment, the user's driving style and loading. (4) Depending on engine and trim level. ^ All chassis comes with Rustproofing underneath the chassis - Cataphoresis (zinc phosphating paint bath), Mastic sealant & anti-gravel packing, Painting = primer + several layer painting.

Service Plan Terms & Conditions The Service Plan offer is available on all LCV's. Valid at participating Renault dealers only and may be purchased up to 12 months after registration or before the first service (whichever is sooner). Vehicles must be ordered between 15 December 2022 to 3 April 2023 and registered by 30 June 2023.

The Renault Service plan covers the manufacturer's minimum maintenance programme requirements for the term of the Service Plan purchased (refer to the Warranty and Service sheet in the Handover Document wallet for details). The plan ends when you reach the age or mileage limit (whichever comes first). Services must be carried out in line with the manufacturer's minimum maintenance programme requirements and servicing intervals within +/-1 month or 1,000 miles of the service interval and can only be carried out at a Renault Approved outlet. Service plans do not cover wear and tear items such as (but not limited to) tyres, wiper blades or brakes. For Service plan full Terms & Conditions visit www.renault.co.uk/owners. Cannot be part exchanged, refunded or transferred. All prices quoted are MRRP.

Extended Warranty Terms & Conditions The Extended Warranties are available on all LCV's (excluding ZOE Van). Valid at participating Renault dealers only and are available to purchase from first date of registration and may be purchased up to 12 months after registration. For full Extended Warranty Terms and Conditions visit www.renault.co.uk/extensions-of-warranties

Renault services

3 years warranty

Your vehicle is covered by a warranty package for up to 3 years from date of first registration (unlimited mileage during the first 24 months, followed by a further 1 year limited to a total mileage of 100,000). Your Renault Dealer is able to repair or replace without charge, parts that are found to have a material or assembly defect that is recognised by Renault. The paintwork warranty runs for 3 years and the anti-corrosion warranty for 12 years.

For Warranty Terms and Conditions please visit www.renault.co.uk/warranty

3 years Renault assistance

Should you need it, we'll provide emergency roadside repairs or tow you to the nearest Renault Dealer. This service is available 24 hours a day and is provided for 36 months from the date of first registration (unlimited mileage for first 24 months, then limited to a total of 100,000 miles or 3 years, whichever comes first). Assistance is provided within the UK & Northern Ireland only at roadside, home and includes national recovery and onward travel. Assistance applies to mechanical or electrical defects which are covered by warranty.
